

TI-Nspire™ Handhelds

Test preparation: Press-to-Test

Press-to-Test enables you to quickly prepare student TI-Nspire™ handhelds for exams where use of applications, programs and other files is restricted.

Enabling Press-to-Test will block access during the exam to pre-existing programs, documents, files, applications, data and pictures.

Screens may vary slightly by model and Operating System (OS).

Before the exam – Put the calculator in Press-to-Test mode:

- 1) Ensure the handheld is turned off. Press **ctrl** **[off]** keys.
- 2) Press and hold down **esc** and **fn on** keys simultaneously until Press-to-Test screen is displayed.

- 3) Select restrictions: By default, all restrictions are selected. To change default restrictions, use arrow keys or **tab** key to scroll through list of restrictions. When a restriction is

highlighted, press **esc** to deselect the restriction. (Do not press the **enter** key.) To deselect all restrictions press **ctrl** **A** keys.

- 4) Enable Press-to-Test by pressing **tab** to select **Enter Press-to-Test** then pressing **enter**.

- 5) The handheld will reboot and confirm restrictions. Select **OK** to continue to home screen.

- 6) When Press-to-Test is enabled, a lock icon will display in the upper right corner of the home screen.

An LED near the handheld's mini USB port will:

- » Flash green to indicate all restrictions (default) are selected.
- » Flash amber to indicate one or more restrictions were disabled.

After each exam – Reset Press-to-Test mode:

- 1) Ensure the handheld is turned off Press **ctrl** **[off]** keys.
- 2) Press and hold down **esc** and **fn on** keys simultaneously until Press-to-Test screen is displayed.
- 3) Select **Reset Press-to-Test** and then **OK**.

If the handheld is in Press-to-Test mode and is to be used in subsequent exams, you can reset Press-to-Test to clear all data and files created during the previous exam.

After the exam – Exit Press-to-Test mode:

- 1) Connect the handheld to another TI-Nspire™ handheld using the USB unit-to-unit cable.
- 2) Press **fn on** for HOME screen. Press **2** to select **My Documents**
- 3) Press **doc v** and select **9: Press-to-Test**. Press **ENTER**.
- 4) Select **1: Exit Press-to-Test** Press **ENTER**.

If the calculator will not be used in subsequent exams, exiting Press-to-Test restores system settings and files that were restricted and clears all data and files created while in Press-to-Test mode.

The handheld will reboot out of Press-to-Test mode
